

WOMEN'S RUGBY POSITION HEAD TECHNICAL COACH WESTERN MUSTANGS

The University of Western Ontario is seeking a highly-motivated and organized individual to serve as the head coach of the varsity Women's Rugby team. Under the direction of the Associate Director of Interuniversity Athletics, the head coach is responsible for the continuous development of the varsity women's rugby program. The position requires an individual who has a solid technical background to provide our student athletes with the best student experience within the University environment and continue our rich history of success.

The head coaching responsibilities require the coordination, planning, evaluation, and implementation of training programs and techniques, as well as recruiting highly qualified student athletes.

Essential Qualifications include:

- NCCP coaching certification
- 3 years of experience in coaching rugby at a highly competitive
- Strong organization skills to manage all program components
- Strong technical background with leadership competencies that include vision, achievement orientation, facilitation/development of student athletes
- Excellent interpersonal and oral communication skills; instructional, coaching and motivating skills; influencing and team building skills
- Demonstrated skills/ability in planning and organizing, taking initiative, problem solving and exercising good judgment, as well as maintaining tact and composure in a highly competitive environment

A coaching salary will be paid based upon experience and credentials of the successful candidate.

Applicants are required to apply online to the job posting #15035, Head Coach, Women's Rugby Varsity Team with Western Human Resources and email their interest to Chuck Mathies - Associate Director of Interuniversity Athletics (cmathie@uwo.ca) by February 28, 2019.
