

ED CARTY

Ed Carty, a native of Hamilton, Scotland, and graduate of Glasgow University, joined St FX and the rugby club at its modern inception in 1967. Relying on rugby experience obtained with his Glasgow Club, Ed assumed the role of a player/coach with the fledgling club.

From those modest beginnings in the 60's, Ed has served numerous roles including coach, administrator, financier, advocate, mentor, friend and mainstay for the program for over five decades. In collaboration for many years with the late Derek Wood, Ed's passion for the game and commitment to providing St FX athletes the opportunity to participate, have helped shape rugby at St.FX with a tradition of success, and in equal measure a tradition of playing the game and representing St FX with class.

Ed's contributions to Rugby in Nova Scotia were not just limited to St. FX. Over a 40-year period, Ed has held every position within Rugby Nova Scotia from Provincial Coach to President. Whether it was crafting the bylaws, acting as the institutional memory of the union, or keeping order in meetings, Ed was a major force in creating and shaping Rugby Nova Scotia.

He spent his last ten years on the board as the Director of Internal competition, crafting schedules and presiding over disciplinary matters. Ed's name is synonymous with Rugby in Nova Scotia and at St. FX in particular. Ed's dedication, passion and devotion to rugby have been limitless.

His combination of intelligence, class, good sportsmanship, wit and good humor is an example for all.
