Nor is lack of fault or intent on the part of a Union a defence to a breach of Regulation 8. For the avoidance of any doubt (and without limiting a Union's other obligations and responsibilities for the conduct, acts or omissions of its members and Persons under its jurisdiction pursuant to any other Regulation) Unions are responsible and accountable for the conduct of their Players and all Persons under its jurisdiction in relation to compliance with the provisions of Regulation 8 and any breach of Regulation 8 by such Player(s) or Person(s) shall be deemed to be a breach of Regulation 8 by the Union concerned. - e) The Panel may request that any other individual participate and give evidence at an oral in-person hearing or oral hearing by telephone or electronic communications.
- f) The Panel may allow as evidence at the hearing any oral evidence and document or thing relevant to the subject matter of the appeal, but may exclude such evidence that is unduly repetitious and shall place such weight on the evidence as it deems appropriate
- g) If a decision in the appeal may affect another party to the extent that the other party would have recourse to an appeal in their own right under this Policy, that party will become an Affected Party to the appeal in question and will be bound by its outcome
- h) The decision to uphold or reject the appeal will be by a majority vote of Panel members
- 28. In fulfilling its duties, the Panel may obtain independent advice.

#### **Appeal Decision**

- 29. The Appellant must demonstrate, on a balance of probabilities, that the Respondent has made a procedural error as described in the Grounds for Appeal section of this Policy and that this error had, or may reasonably have had, a material effect on the decision or decision-maker.
- 30. The Panel shall issue its decision, in writing and with reasons, within seven (7) days after the hearing's conclusion. In making its decision, the Panel will have no greater authority than that of the original decision-maker. The Panel may decide to:
  - a) Reject the appeal and confirm the decision being appealed;
  - b) Uphold the appeal and refer the matter back to the initial decision-maker for a new decision; or
  - c) Uphold the appeal and vary the decision.
- 31. The Panel will also determine whether costs of the appeal, excluding legal fees and legal disbursements of any parties, will be assessed against any party. In assessing costs, the Panel will take into account the outcome of the appeal, the conduct of the parties, and the parties' respective financial resources.
- 32. The Panel's written decision, with reasons, will be distributed to all parties, the Appeal Manager, and the Organization. In extraordinary circumstances, the Panel may first issue a verbal or summary decision soon after the hearing's conclusion, with the full written decision to be issued thereafter. The decision will be considered a matter of public record unless decided otherwise by the Panel.

#### Timelines

33. If the circumstances of the appeal are such that adhering to the timelines outlined by this Policy will not allow a timely resolution to the appeal, the Appeal Manager and/or Panel may direct that these timelines be revised.

#### Confidentiality

34. The appeals process is confidential and involves only the parties, the Appeal Manager, the Panel, and any independent advisors to the Panel. Once initiated and until a decision is released, none of the Parties will disclose confidential information to any person not involved in the proceedings.
