**Finance Supervisor**

The Finance Supervisor will be involved in supervising, monitoring and administering day-to-day accounting activities, working closely with staff members who are responsible for monitoring budgets and contributes to providing overall efficient and effective administration and membership support services.

The incumbent will ensure all accounting principles, practices, procedures, project accounting, financial analysis and controls are in place and in accordance with Rugby Canada's overall goals and strategies.

With possibly a post-secondary diploma in the field of accounting, bookkeeping or administration, you will possess at least 3 years' experience working with progressive organizations, associations and/or not for profits in bookkeeping, finance or business administration.

This is an outstanding opportunity for a financial professional who is able to work in a supportive team environment where only the highest standards are the norm and where career satisfaction is rewarded through results.

The Finance Supervisor will be located in Langford, British Columbia and reports to the Director of Finance.

Applications will be treated in the strictest confidence. Please know that only those selected for interviews will be contacted.

Please submit your application for consideration to [mark@mckinleysolutions.com](mailto:mark@mckinleysolutions.com).
